ABHILASH GANGOJIPETA
DATA ANALYST

Hyderabad, India | +91-7989095336 | abhilashgangojipeta@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

OBJECTIVE

Passionate Data Analyst skilled in Excel, Power BI, Tableau, SQL, and Python, with hands-on experience in dashboards, automation, and data-driven problem solving. Dedicated to transforming raw data into actionable insights that support informed business decisions.

SKILLS

Data Visualization	Data Analysis	Problem Solving	Communication	Attention-to-detail
Data Cleaning	Data Modeling	DAX	KPI Reporting	ETL

TECHNOLOGIES

Microsoft Office	Advanced Excel	Tableau	Power BI	SQL
Statistics	Python	R	MySQL	MS SQL Server

EXPERIENCE

Data Analytics Intern | AIvariant | Excel | Power BI | Tableau | SQL   Aug 2025 - Present
- Analyzed financial datasets using Excel and SQL, performing data cleaning, transformation, and validation to ensure high accuracy.
- Built a **Debit and Credit Analysis dashboard** in Power BI to track transaction trends, account balances, and anomalies, improving financial transparency.
- Created a **Loan Analysis dashboard** in Tableau with borrower segmentation, repayment trends, and risk indicators to support data-driven credit decisions.
- Automated recurring financial reports in Excel and Power BI, reducing manual reporting effort by 30%.

Data Analytics Intern | Deloitte | Virtual | Excel | Tableau | Analytics   June 2025
- Completed Deloitte Australia's Data Analytics job simulation, working on data analysis, forensic technology tasks, and building a Tableau dashboard.
- Applied Excel-based classification to interpret data, detect anomalies, and draw business conclusions during the simulation.

Data Visualization Intern | Tata Group | Virtual | Tableau | Reporting | Business Insights   June 2025
- Completed a Tata Data Visualisation job simulation involving creating data visualizations, preparing leadership questions, and delivering insights for TCS.
- Created clear visuals and analysis to support senior executives in effective decision-making during the simulation.

PROJECTS

Sales Insights |Power BI | SQL   [GitHub Repository](#)
Designed a Power BI dashboard to analyze AtliQ hardware goods sales trends. Improved business decision-making and helped project a 7% increase in next-quarter revenue.

IPL Analysis Dashboard (2008–2025) |Power Query | Data Modeling | DAX | Power BI   [GitHub Repository](#)
Analyzed 18 seasons of IPL data using a star-schema model and advanced DAX for dynamic KPIs like Orange/Purple Cap, boundaries, and winners.
Built an interactive Power BI dashboard with player cards, season KPIs, and an automated points table for quick performance insights.

HR Data Analytics |Power BI | Excel   [GitHub Repository](#)
Designed a Power BI dashboard to track employee data for the HR team, including working hours, attendance, performance, and leaves. The dashboard streamlined HR processes and increased efficiency.
This dashboard can save 3–4 hrs of work for the HR daily.

Student Engagement Automation Dashboard |n8n | AI | Google Sheets   [GitHub Repository](#)
Built a full automation workflow generating charts, KPIs, and AI insights using Google Sheets, QuickChart, and Gemini LLM.

EDUCATION

Parul University, Vadodara 2021 – 2025
Bachelor of Technology (B.Tech), Computer Science with Artificial Intelligence
GPA: 7.22 / 10

CERTIFICATIONS

- Data Analyst | Excelr | July 2025
- SQL Certification | HackerRank | Sep 2025
- Python Essentials 1 | Cisco | Nov 2025
- Data Visualization Virtual Internship | Tata | Jun 2025
- Data Analytics Virtual Internship | Deloitte | Jun 2025
